

PROJECT WORK NORMS

- 100% Attendance is compulsory in the Organization.
- **Students may undertake their** Research Work in their respective internship organization, subject to the organization's permission. **If permission is not granted, they may undertake** sector-wise research.
- Attendance at the **Research Conference is mandatory once in two weeks** for all students.
- Students are required to **get in touch with their respective Mentors** and actively participate in the research guidance sessions.
- The **Mentors will serve as the Internal Guides** for the students and will guide, support and monitor the students throughout the Research Work.
- Students are expected to contact their Mentors regularly, discuss their research progress, clarify their doubts and incorporate the suggestions provided by their respective mentors.
- Marks will be awarded for the **submission of each chapter within the stipulated deadline.**
- Students must submit each chapter on the respective deadline specified by the department.
- **Late submission will attract low marks.**
- Tools to be used for statistics can be parametric or non-parametric tests
- No cut, copy, paste the results from SPSS, you need to interpret the results obtained using SPSS.
- Project size or Page limit ranges from 100-130 pages(maximum).
- Minimum Sample size should range from 80 to 100.
- No. of questions in questionnaire should be not more than 30.
- No repetition of same project title.

Note: After incorporating the corrections and obtaining approval from the respective mentor, students are required to get the Final Draft checked for plagiarism through the Library and upload the plagiarism report in the folder shared for this purpose.

- One soft copy (Pdf format) along with a hard copy has to be submitted 7th October 2026
- Research Viva will happen on 10th October 2026
- Students who fail to adhere to the above-mentioned norms will be subject to repeat/redo the entire project work in the next semester.

GUIDELINES FOR PROJECT WORK

S.NO	SCHEDULE	DEADLINE DATE
1	Identification of organization and topic	19/08/2026
2	Preparation of review of literature	23/08/2026
3	Presentation of Research proposal	25 /08/2026
5	Submission of Chapter – I (Introduction)	30/08/2026
6	Approval of Questionnaire from the Research guide	01/09/2026
7	Pilot Study/Reliability Test	02/09/2026
8	Submission of Chapter –II (Review of Literature)	04/09/2026
9	Data collection begins	05/09/2026
10	Completion of Data Collection	19/09/2026
11	Application of SPSS / Statistical tools	21/09/2026
12	Submission of Chapter – III & Chapter -IV (Research Methodology & Data Interpretation)	24/09/2026
13	Submission of Chapter –V & First Rough draft Submission of Second Rough draft	26/09/2026

14	Submission of Draft Thesis/Project work	29/09/2026
15	Correcting the Draft and returning back to the Student by the Mentor	04/10/2026
16	Final Research Project Report(Both PDF and Hard Copy)Submission after Plagiarism check	10/10/2026
17	Viva Voce	12/10/2026
