Hybrid Learning and Training Effectiveness at Union Bank of India

This questionnaire is part of an academic study on hybrid learning and training effectiveness at Union Bank of India. Hybrid learning refers to a training programme that combines digital or online learning with face-to-face or classroom learning.

Please answer every statement with reference to your most recent hybrid-training programme attended during the last 12 months. There are no right or wrong answers. Your responses are confidential, voluntary, and used only for academic purposes. Do not write your name or employee number anywhere on this questionnaire.

Eligibility and Basic Information

1. During the last 12 months, have you attended at least one training programme that included both digital or online learning and face-to-face or classroom learning? Yes / No If your answer is No, please do not continue with the questionnaire.
2. Age group: Below 25 / 25–34 / 35–44 / 45–54 / 55 and above
3. Years of work experience: Less than 5 / 5–10 / 11–15 / 16–20 / More than 20
4. Job level: Clerical / Officer / Managerial / Other

Response Scale for Questions 5–30

Response scale for Questions 5–30

1 – Strongly Disagree · 2 – Disagree · 3 – Neither Agree nor Disagree · 4 – Agree · 5 – Strongly Agree

Section B: Hybrid Learning

5. I can choose a suitable time to complete the online parts of the training.
6. I can easily find and access the online training materials.
7. I have sufficient opportunities to interact with the trainer and ask questions during the training.
8. The digital platform used for training is easy for me to use.
9. Technical problems do not usually interfere with my learning during the training.
10. The online and classroom sessions are well connected as parts of the same training programme.
11. The classroom sessions build on what I learned during the online sessions.

Section C: Trainer Competence

12. The trainer or facilitator has strong knowledge of the training subject.
13. The trainer is comfortable using the digital tools and platforms involved in the training.
14. The trainer motivates me to participate actively in the training.

Section D: Learner Engagement

- 15. I stay attentive during the training sessions, whether online or in person.
- 16. I feel involved in the training activities rather than simply completing them.
- 17. I actively participate in discussions, exercises, or activities during the training.
- 18. I put effort into understanding the training content.

Section E: Training Effectiveness

- 19. The content covered in the training is relevant to the work I do.
- 20. The training helps me understand the topics clearly.
- 21. I gain useful knowledge from the training.
- 22. The training provides knowledge and skills that I can use in my day-to-day work.

Section F: Knowledge Retention

- 23. I can still recall the main points covered in the training.
- 24. Even weeks or months later, I can remember the key concepts covered in the training.
- 25. I can explain the main ideas from the training in my own words.
- 26. I can recall relevant training content when a work task requires it.

Section G: Job Performance

- 27. The knowledge and skills gained from training help me perform my work accurately.
- 28. The training has helped improve the quality of my work.
- 29. The training helps me complete my work efficiently.
- 30. I regularly apply what I learned during training in my job.
