

THAssignment: OD Change Management Consulting Challenge – Internship Organization

Individual Assignment(Hand Written only)

Maximum page Limit – 8/Minimum - 4

Submission Date: 28 September 2026

Role: Students will act as **Organization Development (OD) Consultants** and analyse a change situation in their internship organization.

Objective

To apply **Organizational Development, Leadership and Change Management concepts** to a real organizational situation observed during the internship.

Step 1: Identify a Change Situation

Each Student should identify **one actual or recently experienced organizational change** in their internship organization.

The change may relate to:

- Change in leadership or management
- Merger, acquisition or restructuring
- Business expansion or contraction
- Introduction of new technology/AI/digital systems
- Change in HR policies or practices
- New competitor entering the market
- Organizational culture change
- Workforce expansion or downsizing
- Employee resistance to change
- Change in work processes or job roles
- Employee engagement or retention challenges
- Diversity, equity and inclusion initiatives
- Any other significant organizational change

Important: Students must obtain appropriate permission before using organizational information and must **not disclose confidential information, employee names or sensitive business data**.

Step 2: Change Diagnosis

Present(Write/Design) the organization's situation creatively through:

The presentation should cover:

1. Organization Profile(10 lines enough)
2. Nature of the Change
3. Why the Change Was Required
4. Internal Factors Driving Change
5. External Factors Driving Change
6. Stakeholders Affected
7. Employee Response/Resistance
8. Evidence from Internship Observations, Interviews, Reports or Public Sources

Step 3: Change Management Strategy

Select **ONE** change management model:

- Lewin's Three-Step Model
- Kotter's Eight-Step Model
- ADKAR Model
- McKinsey 7S Model
- Burke–Litwin Model

Students should **apply the model to their actual internship organization**, rather than merely explaining the theory.

Step 5: OD Intervention Design

As OD Consultants, students should recommend **2–4 appropriate interventions**, such as:

- Team Building
- Training & Development
- Executive/Employee Coaching
- Culture Change
- Employee Engagement
- Communication Intervention
- Performance Management
- Reward & Recognition
- Employee Well-being
- Leadership Development
- Conflict Management

Step 6: Consultant's Recommendation

The student should conclude with a **practical Change Action Plan**:

Area	Recommendation
Change objective	What should be achieved?
Key stakeholders	Who needs to be involved?
Intervention	What should be done?
Responsibility	Who should implement it?
Timeline	When should it happen?
Expected outcome	What should improve?
Success indicators	How will success be measured?
